RE: SUMMER READING LIST

Dear Parents/ Guardians,

I hope that you are enjoying the beginnings of your summer break with your child(ren)! In an effort to keep your child motivated and excited about learning over the summer, the teachers have selected books from the Haislin Reading List to be read during the weeks ahead. Books have been selected for grades PreK3 through 8th Grade! It will be expected that the students have either read or have been read to the books for their grade level by the time they return to school in August. The teachers will prepare a book study for the first week of school. It is important that your child is familiar with their book(s) so as to fully participate in the planned class activities when they return.

Happy reading!

Peace and blessings,

Dr. Emilie Robert
Principal
